SCHOOL NEWSLETTER

Friday, 9th May 2025

Between Monday, 2nd June and Friday, 13th June, all pupils in Year 4 will be taking the Multiplication Tables Check. This is a statutory assessment which allows us to determine whether your child can fluently recall their times tables up to 12. The check is an online test, consisting of 25 questions (plus 3 practice questions) and the children will have 6 seconds to answer each question. All we would like your child to do to prepare for the check is to practise their times tables daily, through resources such as Times Tables Rockstars. If you have any questions about the check, please speak to your child's class teacher.

Internet Safety

A reminder to parents and carers to monitor their child's access to online sites. As we know, the internet offers incredible educational opportunities, but it also presents significant dangers. It would be a good idea to have an agreement at home, ensure the internet is filtered and regularly monitor your child's devices. Please find top tips below to share with your child.
