VJS NEWS

Proud To Be Me, Proud To Belong

Mr. David Lee - Headteacher

From wishing the Victoria Junior School football team well as they went off to play against a local school, to sitting and enjoying Holly Class' wonderful assembly on how to "Reach Out!" together to stop bullying, it has been another great week here.

Children have been participating in Dragons' Den tasks to celebrate Science Week, and there has been a real buzz around the school.

Mr Tavey - P.E Lead

Next Week...

Next week sees the beginning of the FIFA 2022 World Cup and we are marking it in style here at VJS! All classes will have a launch day on Monday 21st November which includes a live viewing of England's opening match versus Iran, alongside a wide range of other in-class activities. If children do not want to watch the football, there will be other activities provided. There will be a number of projects throughout the 4 weeks which will give the children excellent opportunities to learn about other countries from all around the world - with a particular focus on the history and geography of their chosen country.
