VJS NEWS

Proud To Be Me, Proud To Belong

Mrs Cherise Seevakreedam, Lower School Phase Leader

&

Mrs Shelley Barham, Upper School Phase Leader

We have had a very busy week at Victoria Junior School, from anti-bullying workshops to Rock Star Day. We also had the opportunity to invite parents in to work with their child and see what Mathematics looks like at our school.

We had over 100 parents in over the two days working on addition, subtraction, multiplication and division.

If you did not get chance to come in, please do speak to the class teacher.

Dates for your diaries...

Monday, 13th November - Friday, 17th November

Anti-Bullying Week

Odd Socks Day - Monday, 13th November

Thursday, 23rd November

Online Safety Workshops for parents

Tuesday, 28th November

Bring a Dish Event

Tuesday, 5th December and Thursday, 7th December

Parent's Consultation Meetings

Winters Night Carnival

Mrs Stevens

The Art Club had the opportunity to make lanterns with Feltham Arts, before parading them through the high street alongside children from other local schools. It was a great opportunity for the community to come together and celebrate the family event which included a great performance from the Dohl Drummers.

A huge thank you to all of the parents and carers who supported our children as well as others from the community. It was a great experience which the children will remember.

Remembrance Day

Miss Trew - Art Lead

At VJS, we marked the occasion of Remembrance Day through various different activities as well as a 2-minute silence at 11am this morning.

Maths Rock Star Day!

Mr Farmer - Mathematics Lead

On Friday, we celebrated how we can all rock at Maths by having a Maths Rock Star Day. It was brilliant to see the effort all the children and staff put in to their amazing rock star costumes in order to celebrate the day. We had a full morning of fun Maths activities where children carried out some exciting investigations, working collaboratively to notice patterns and solve puzzles. We also spent some time playing some fun reasoning-based strategy games that can be played anywhere with just a pencil and paper. They really enjoyed thinking carefully about strategy to discover the best way to beat their opponent!

Maths Bags

Each week, we will be randomly selecting one child from each class to take home a special Maths bag full of exciting activities and puzzles for you to complete with your child. It includes board games, top trumps, and a variety of different Maths challenges for all ages and abilities. We hope you'll enjoy this opportunity to share and encourage the love of Maths and puzzles with your child.

During our whole school assembly, we re-launched Times Table Rock Stars with the children. This is an online resource to support children with their recall of times tables.

Battle of the Bands

Each year group will have weekly Times Table Rock Star competitions. Children can contribute points by getting correct answers in any games. They do not need to sign up or enter a specific game, they just need to play TT Rock Stars regularly at home. However, only the first 20 minutes of play each day will count towards the competitions. At the end of the week, the class with the highest average points in each year group will be announced in our celebration assembly, and will be awarded with an extra playtime. If your child has any problem accessing TT Rock Stars at home, then please speak to their teacher.

PTA Notices

Volunteers Needed!

We need parent volunteers for Brite Box project.

We meet every Thursday 1-3pm.

If you are able to help or have any questions please speak to Mrs Begum.
