Proud To Be Me, Proud To Belong

Welcome back and goodbye!!

Happy New Year to everyone!

Children have come back this year with such a fabulous attitude towards their learning. I walked around each class on Monday morning and every child was focused and absorbed in their learning. Yesterday, in our Celebration Assembly, I gave out so many Reading certificates, and such a high number of them were for children who had read for over 100 evenings since September.

Today is tinged with some sadness as we say goodbye to Mrs. Lewis. She started working at Victoria Junior School eighteen years ago and has held a number of roles at the school including class teacher, Inclusion Lead and on two occasions Deputy Headteacher. She has helped so many children and adults settle into the school routines and supported those who find school life sometimes challenging. Mrs. Lewis has built up very strong relationships and will be very missed by many of us. We wish her all the very best in everything she does in the future and hope she will visit us in the near future.
