VJS NEWS

Proud To Be Me, Proud To Belong

Mr. D. Lee - Headteacher

After saying goodbye to Mrs. Lewis in last week's newsletter, I now have the pleasure of introducing Mrs. Collins, our new SENDCo and Inclusion Lead. Mrs. Collins started her teaching career at Victoria Junior School before moving on to schools in Surrey and London. She has held many areas of responsibilities, including SENDCo and Deputy Headteacher.

Mrs. Collins is keen to meet any parent that has any information or concerns they want to share with the school. If you do not see her on the gate in the morning or after school, please make an appointment through the school office.

On Wednesday, as part of Hounslow's Peer Challenge, we were inspected by three Headteachers, reviewing the progress we are making. It was a very positive outcome that I will share with you once the final report is with me.

Merit Prizes

Well done to our Merit Prize winners from the Autumn Term. It was a pleasure to have our first visitors to “The Merit Shop” this academic year!

Mrs Wolczynski's Competition Time

Each week, in Lower Phase Assembly on a Monday, and Upper Phase Assembly on a Tuesday, Mr. Lee and I ask the pupils quiz questions, focused on retrieval of key knowledge taught in our curriculum. We use the knowledge organisers that are sent home each term to help us to write our questions, and children answering correctly are given merits for “Fulfilment” and a chance to sit on the benches in Celebration Assembly as a reward.

We are holding a [Quiz Writing Competition](#). We would love for our pupils to write us a set of quiz questions, based on their current and prior learning, using their knowledge organisers. We would like a set of **ten** questions and answers.

We will choose 1 winner from Lower Phase, and 1 winner from Upper Phase. As a prize, their quiz will be presented in assembly and they will receive a gift voucher from Amazon!

The closing date is **Friday, 9th February**. Good luck!
