VJS NEWS

Proud To Be Me, Proud To Belong

Mr. David Lee, Headteacher

It has been a busy week here at Victoria Junior School this week, with a real focus on Art and Design and Technology. I'm not going to write much more in this newsletter, as I wanted the fantastic work to speak for itself. Please see below for a piece of work from each year group, demonstrating how our curriculum allows pupils to explore different design techniques - both at home, and at school.

Year 3 - Aydin

Cooking Up a Storm!

Mr Tavey, DT Lead

This week, our Year 5 'Soup-er stars' from Willow and Holly classes made the short journey to Springwest Academy to showcase their knowledge regarding seasonal food. In groups here at VJS, the children researched and prepared a hot and hearty soup recipe to enhance their understanding of how we should use seasonal foods for seasonal meals. After a morning of washing, peeling, cutting and dicing, both classes then had the pleasure of using the Food Technology department at Springwest to bring it all to the boil - literally! With the assistance of some very welcoming and helpful Springwest staff and students, a total of 15 bespoke soups were created over the course of both days - all of which looked and smelled absolutely amazing. Having the access to facilities such as this is a fantastic reward for our children and one that Magnolia class will get the opportunity to enjoy this week as well as all other year groups in the not too distant future.
