Dear Parent/Carer

Consent form for Local School Trips and other Off-site Activities

Please sign and date the form below if you are happy for your child:

- a) To take part in school trips and other activities that take place off school premises within one mile of the school; and
- b) To be given first aid or urgent medical treatment during any school trip or activity.

Please note the following important information before signing this form:

- The trips and activities covered by this consent include;
 - all visits within one mile of the school which take place during term-time
 - trips out for House Treats/winners of competitions
- The school will send you information about each trip or activity before it takes place.
- You can, if you wish, tell the school that you do not want your child to take part in any particular school trip or activity.

Written parental consent will not be requested from you for local activities offered by the school – for example, year-group visits to local amenities (e.g the Library) – as such activities are part of the school's curriculum and usually take place during the normal school day.

Please complete the medical information section below (if applicable) and sign and date this form if you agree to the above.
