VJS NEWS

Proud To Be Me, Proud To Belong

Victoria Junior School has had time this week to pay its respects to Queen Elizabeth II. I am sure we will all spend some time this weekend reflecting on her majesty's life, the impact it has had on our lives and, for lots of us, how her death has led to reflections on losses we have suffered closer to home. A reminder that VJS will be closed on Monday, 19th September and will be back to normal on Tuesday.

It will be fantastic to welcome all parents and carers into school next week so that we can let you know in more detail about the curriculum your children will be studying this term, and to let parents and carers with children in Year 3 and 4 into their classes for the start of a day. I hope lots of you can make it. We intend to have lots more events like this this year so that you are better informed about how we can work to together to make the education for your children as rich and as stimulating as we can.

Mr. David Lee - Headteacher

Our Week

PARENT GOVERNOR NEEDED

By Mr. Lee
Headteacher

We have one vacancy for parent/carer governor at Victoria Junior School. During last year I mentioned this to parents/carers who had children already at Victoria and to the parents and carers of children starting here this month. Interest in the position has been expressed but I want to give one final opportunity to you if you are interested in the position.

It does involve reading documents about the school and some evenings discussing how the school is run and in helping making decisions that will support and challenge the school management. If you would like any further information on the post please let me or the office know by Friday, 23rd September 2022 and I will be happy to give you more information.
