

Covid-19 Message On Behalf of Hounslow YOS & Hounslow Police

Why It's Important to Stay Home:

You can have the virus and not feel ill

If anyone in your family is elderly or has a medical condition
they could be at higher risk of becoming really ill

If you are out when you shouldn't be, you are at higher risk
of catching the virus and passing it on to friends and family

The Police may stop you if they see you out, but they will try really hard not to arrest you.

If you don't have a good reason to be out, they will ask you to go home. They may even take you home.

Please don't get angry with them, they are just doing their jobs.

So, if being at home is hard for you, please explain this calmly to the Police when they stop you and contact your YOS Worker or your Social Worker for support. If you don't have any professional support, go to www.youthhounslow.info or call 07816 070617
