

# Pass The Whisper / Secret Messages

Chose a special word or short sentence to say and whisper it to your child.

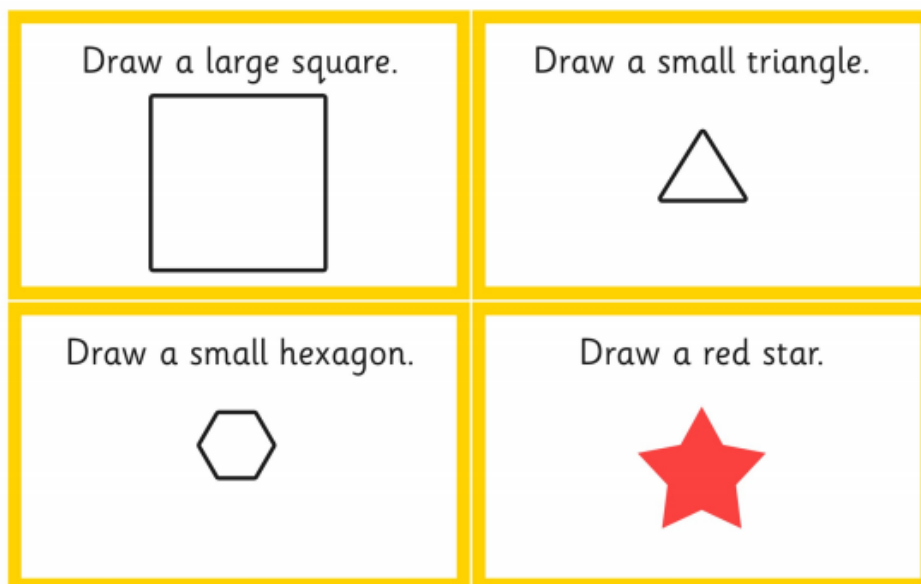

Your child then whispers it to the next person and it goes around the group until the last person receives it.

The last person has to say aloud what the whispered message was.

To make this harder you can use longer sentences or less familiar words.

To extend the game, the message can be an instruction for the last member of the group to complete, eg. an action to carry out, a shape to draw etc.

Use these visuals to support if necessary.

Draw a red pentagon.

Draw a large triangle.

Draw a blue circle.

Draw a pink star.

Draw a purple square.

Draw a green cloud.

Draw a red triangle.

Draw a small square.

Draw a green triangle.

Draw a red car.

Draw a blue rectangle.

Draw a small circle.

Draw a red square.

Draw a pink hexagon.

Draw a blue fish.

Draw a yellow triangle.

Draw a small blue pentagon.

Draw a big red moon.

Draw three red squares.

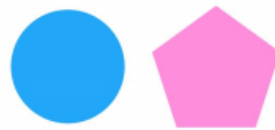

Draw two green triangles.

Draw a square on top of a blue rectangle.

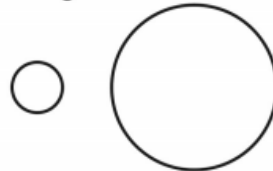

Draw blue circle and a pink pentagon.

Draw two green horizontal lines.

Draw a small circle and a large circle.

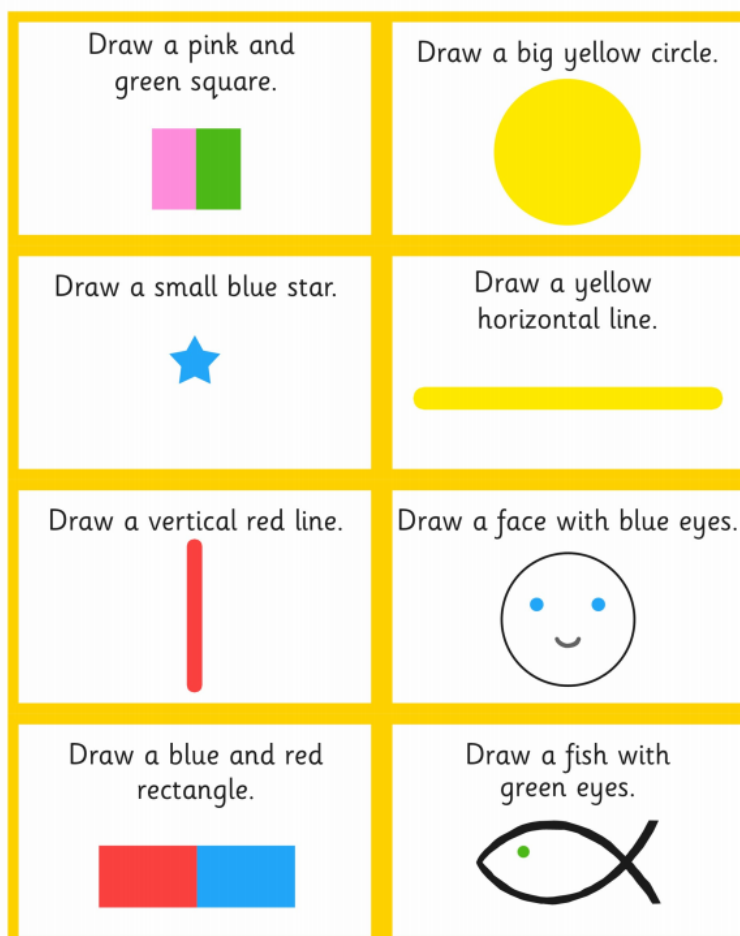

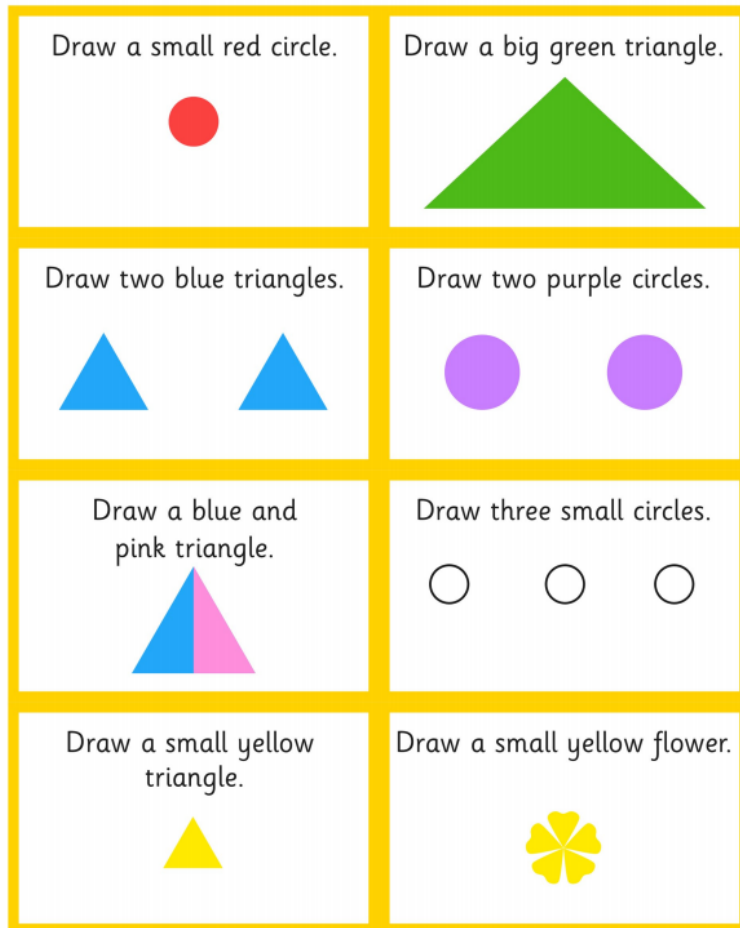

Draw an orange pentagon and a yellow square.
